WHO USES 3G VIDEO TO EMAIL SERVICES?

- Anyone with a 3G phone and who wants to simply send their video of an event, moment or sporting occasion to a friend, family member or social network with just one call!

WHAT DO THEY GET?

- Access via a simple video call to a browsable service with options to register, record & send

WHY DO THEY CALL?

- Simple – just one number to dial and no mobile internet charges!
- Immediate – call, film and press 'SEND'!
- Compelling – upload a video and send it to a friend or service, there and then!

ABOUT THE PRODUCT FOR CLIENTS

- 4D 3G video services can be provided on a range of tariffs & can be combined with MMS entry. Submitted videos can be sent to single or multiple email addresses. Your service can be fully skinned to reflect your brand.
- 4D only supply services to agencies and Corporate clients. As an independent network operator, we operate our services directly providing you with the safety and security to ensure the highest possible quality of service.
- All uploaded video and content is fully moderated by 4D's own in-house team ensuring that your brand and reputation is protected at all times. 4D also provide a 24/7 customer service option for those using your service.
- Secure web based access to a full reporting package that allows you to track the success of your service in real time is provided as standard.

For a sample of just one of the many projects that we have completed on behalf of our clients please visit: www.super-heroes.tv

* Requires 3g compatible phone and is subject to the coverage of their network operator
